3DV 2022 Conference Sponsorship

An invitation to participate in the International Conference on 3D Vision

The 10th International Conference on 3D Vision (3DV 2022) will be held in Prague, Czechia on September 12-16, 2022. The event will be hybrid, with both in-person and virtual attendance options.

3DV is an annual conference providing a premier platform for researchers, developers, and practitioners to present and discuss a broad variety of topics in the area of 3D research. 3D information has been more accessible and the interest in 3D information processing continues to grow. The topics include, but are not limited to, 3D information processing in computer vision and graphics, such as novel sensors, signal processing, geometric modelling, representation and transmission, visualisation and interaction, machine learning applied to 3D, and a variety of applications in different fields. In 2021, the conference had more than 1500 online attendees.

[Prague](#), capital city of Czechia, is a political, cultural, and economic hub of central Europe, with a rich history and Romanesque, Gothic, Renaissance and Baroque architecture. The city is home to a wide range of public and private schools, including Charles University and Czech Technical University, one of the largest and oldest technical universities in Europe. In recent years, the city has become a leading hub in Europe for tech-based startups.

We invite you to consider becoming a sponsor and/or exhibitor at this event and to take a look at the wide range of options we have available for your consideration. Please join us and enjoy this prestigious event and, along with food and drinks, the city's unique appeal. We look forward to welcoming you to Prague in September 2022.

We actively monitor the COVID-19 situation to determine if the in-person 3DV experiences will be safe and possible given international travel rules. Given the current status, we are confident we will be able to organise a hybrid event, with both in-person and virtual attendance options.

The Organising Committee, 3DV 2022

Benefits for attendees

- Top-rated contributed sessions;
- Keynote and/or invited sessions of topical interest;
- Exhibitors showcasing their latest products and services.

Benefits for exhibitors

Stand out from the competition and benefit from this unique opportunity to meet, virtually or in-person, with academic researchers, students, and scientists from around the world who conduct research on 3D vision, graphics, machine learning, and virtual/augmented/mixed reality.

- Meet with prospective employees;
- A single place to keep up-to-date with new trends in 3D vision and related topics;
- Top-rated technical program draws attendees from around the world;
- An exhibit committee staffed with experienced exhibiting, sales, and marketing professionals;
- High visibility exhibits co-located with poster sessions and coffee breaks.

About the conference programme

The conference is currently planned for four days (3 days of main conference, 1 day of tutorials) between Monday, 12 September 2022 and Friday, 16 September 2022.

The program will include:

- Invited Keynote speakers;
- Displays, paper and poster presentations,
- Tutorials,
- Demonstrations and exhibitors.

Partnership programmes

Platinum Partner – 5,000€

- Partner's logo on the conference website with hyperlink to the partner's website
- Large partner's logo in the printed programme, banners and on online conference site
- Acknowledgement during the main events
- One promotional insert in the participant conference bag
- 5 complimentary delegate registrations, inclusive of social functions
- Exhibition space (about 2x2 m, exact size to be confirmed), first choice for a prime position in the exhibition area

Gold Partner – 3,000€

- Partner's logo on the conference website with hyperlink to the partner's website
- Medium partner's logo in the printed programme, banners and on online conference site
- Acknowledgement during main events
- One promotional insert in the participant conference bag
- 3 complimentary delegate registrations, inclusive of social functions
- Exhibition space (about 2x2 m, exact size to be confirmed)

Silver Partner – 2,000€

- Partner's logo on the conference website with hyperlink to the partner's website
- Regular size partner's logo in printed programme, banners and on online conference site
- Acknowledgement during main events
- 2 complimentary delegate registrations, inclusive of social functions
- Exhibition space (about 2x1 m, exact size to be confirmed)

Bronze Partner – 1,000€

- Partner's logo on the conference website with hyperlink to the partner's website
- Regular size partner's logo in printed programme, banners and on online conference site
- Acknowledgement during main events
- 1 complimentary delegate registration, inclusive of social functions

Startup Partner – 500€

- Partner's logo on the conference website with hyperlink to the partner's website

Additional opportunities

Prize sponsorship

- Best Paper Award (2,000€)
- Best Student Paper Award (1,000€)
- Best Paper Honourable Mention Award (500€)
- Custom prizes (to be discussed with chairs)

Welcome Reception Sponsor – 2,500€

- Display space for one piece of advertising material (roll-ups, brochures etc.) during Ice breaker
- Prominent display of the logo during the reception

Coffee Break Sponsor – 1,000€

- Display space for one piece of advertising material (folder, brochures etc.) during a coffee break of your choice
- Prominent display of the logo during the break

Bag insert – 500€

- Inclusion of promotional material in the participant conference bag
